How to create a new patient account using the Anytime Pediatrics App

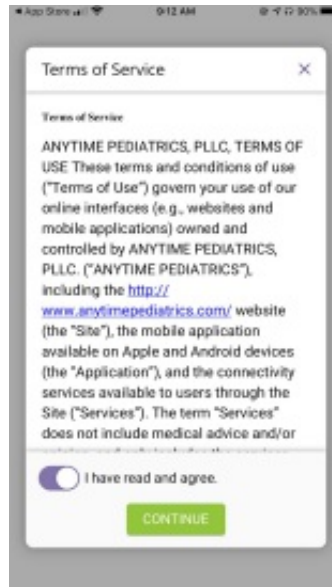

1. Search and download Anytime Pediatrics from the Google Play Store for Android devices or the App Store for Apple devices.

2. Once on the login screen, click create an account.

3. Read and agree to terms of service and click continue.

4. Enter the email address and create a password for the account. Then, click the green arrow button.

A screenshot of a mobile application's 'REGISTRATION' screen. The screen has a white background with a grey border. At the top, there's a title bar with 'REGISTRATION' and a close button (X). Below the title bar, there's a progress indicator with five circles, the first of which is green. The main heading is 'Login Credentials'. Below this, there are three input fields: 'EMAIL', 'PASSWORD' (with a hint '8+ characters'), and 'REPEAT PASSWORD' (with a hint '8+ characters'). Below the input fields, there's a small text block: 'Password should be at least 8 characters with one capital letter, two lowercase letters, at least one number and one non-alphanumeric character.' At the bottom right, there is a green button with a white right-pointing arrow.

5. Enter parent or guardian information. Then, click the green arrow button.

7. Click yes to allow your practice to be added to your account.

8. Fill out insurance information or select I don't have insurance or I wish not to use it, whichever you prefer.

9. Fill in your child's information and check the box at the bottom. Then, click the green save button.

The image displays two sequential screenshots of a mobile application's registration process for a child. Both screenshots are set against a purple background and feature a white registration form.

Top Screenshot: The form is titled "REGISTRATION" with a close button (X) in the top right corner. Below the title is a progress indicator consisting of five circles; the first four are green with checkmarks, and the fifth is white. The form is labeled "Child" with an information icon (i). It contains several input fields: "FIRST NAME", "LAST NAME", "DATE OF BIRTH", "GENDER", "ALLERGIES", "OTHER MEDICAL", and "MY RELATIONSHIP TO THIS CHILD". A green "SAVE" button is located at the bottom right.

Bottom Screenshot: This screenshot shows the form after some data has been entered. The "MY RELATIONSHIP TO THIS CHILD" field now contains the text "Guardian". Below this field, there is a checkbox that is checked, followed by the text "I attest that I have legal authority to seek care for this child." The "SAVE" button remains at the bottom right.

10. To add another child to your account, click the

button.
