## ANYTIME After Hours

### Introduction

**Welcome to our team. We are excited you are here!**

This portion of training consists of self-guided videos and scenarios.

Part 1 will take approximately 4 hours to complete. Pay close attention to the videos as you will use this information to complete scenarios in Module 3 of Part 1. After completing Part 1 in its entirety you are finished with this portion of the training.

#### **Part 1: Anytime Pediatrics Training**
